

House Study Bill 223 - Introduced

HOUSE FILE _____

BY (PROPOSED COMMITTEE ON
HUMAN RESOURCES BILL BY
CHAIRPERSON MEYER)

A BILL FOR

1 An Act relating to requirements for licensees under the purview
2 of the dental board relating to orthodontia services.
3 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF IOWA:

1 Section 1. NEW SECTION. 153.24 Orthodontia-related
2 services.

1. A licensee under the purview of the board who provides treatment for the correction of malpositions of human teeth or the initial use of orthodontic appliances shall not begin orthodontic treatment on a new patient unless one of the following conditions is met:

8 a. The licensee performs an initial in-person or
9 teledentistry examination of the teeth and supporting
10 structures of the new patient prior to beginning orthodontic
11 treatment.

b. The new patient provides the licensee with the portion of the dental record taken within the prior six months of an in-person or teledentistry examination of the teeth and supporting structures of the new patient prior to the licensee beginning orthodontic treatment.

17 2. The examination required pursuant to subsection 1 shall
18 include any appropriate conventional or digital radiographs
19 or digital imaging that are necessary to develop a suitable
20 orthodontic diagnosis and treatment plan.

21 3. For the purposes of this section, "*new patient*" means a
22 person whom a licensee has not examined, for whom a licensee
23 has not provided care, or for whom a licensee has not otherwise
24 provided consultation during the two-year period immediately
25 prior to the patient's most recent appointment.

26 EXPLANATION

27 The inclusion of this explanation does not constitute agreement with
28 the explanation's substance by the members of the general assembly.

29 This bill prohibits a licensee under the purview of the
30 dental board who provides treatment for the correction of
31 malpositions of human teeth or the initial use of orthodontic
32 appliances from beginning orthodontic treatment on a new
33 patient unless either the licensee performs an initial
34 in-person or teledentistry examination of the teeth and
35 supporting structures of the new patient prior to beginning

1 orthodontic treatment, or the new patient provides the licensee
2 with the portion of the dental record taken within the prior
3 six months of an in-person or teledentistry examination of the
4 teeth and supporting structures of the new patient prior to
5 the licensee beginning orthodontic treatment. The required
6 examination shall include any appropriate conventional or
7 digital radiographs or digital imaging that are necessary to
8 develop a suitable orthodontic diagnosis and treatment plan.
9 The bill defines "new patient" as a person whom a licensee has
10 not examined, for whom a licensee has not provided care, or for
11 whom a licensee has not otherwise provided consultation during
12 the two-year period immediately prior to the patient's most
13 recent appointment.
